Chiny: Panoramic tour

15.88km, +341m, -341m

Start walk/parking:

Rue du Millénaire 6,

6810 Chiny (22 min. drive from Camping Les Ochay)

49°44'19.2"N 5°20'27.4"E

Use a GPS-app like Komoot or Wikiloc to be able to navigate!

From the parking at the church you have to descend via the road towards the bridge “Pont St-Nicolas” and camping Le Canada.

Rest of the walk through very tranquil/beautiful forest and along the Semois.

You'll pass three belvederes:

-Le rocher de l'Ecureil

-Point de vue du Pinco

-Rocher du Hat

They all had a bench to just sit down and take in the beautiful surroundings.

Lovely walk with great panoramic views! That's why I called it the “panoramic tour” :-)

Enjoy!
